Kooloorra editorial

It's the time of the year when everyone is back in town and we are back to busy again. All of Kooloorra's services are running with full steam. We can now reveal that Kooloorra has been granted funds to do a substantial upgrade that will completely change the looks of our playgroup playground in the following months. Stay tuned.

On the reform front, we are slowly heading into the Targeted Earlier Intervention reform, one of the most comprehensive program reforms in recent times. The reform is aiming to bring increased support for the communities and especially the families across the Eastern Suburbs District.

VACATION CARE 2017

The January Vacation Care program operated from the 3rd of January to the 20th of January 2017.

We welcomed eight new children with a total of 47 children enrolled in this vacation care program.

In our three week program we enjoyed five in-centre days and nine excursion days. Each week we had three excursions and thankfully the sun chose to shine on all days except for one. Our excursions were to Frenchman's Bay, Des Renford Aquatic Centre, the ferry to Cockatoo Island and a tour of the convict site and two new excursions to Attractively and Iceskating, both were a hit with the children. Our in-centre days were; New Years Pyjama Party, Orange Day, "B" Day and Water Bomb Bonanza Day. We also really loved watching 22 chicks hatch for two weeks during which time we had Henny Penny Hatching Day where we enjoyed all things "chicken and egg" with games, cooking and craft.

A big thank you to our Vacation Care Coordinator Nicole Arathoon and her team for their extraordinary efforts to make Kooloora Vacation an inclusive and supportive space for the children.

Kooloora acknowledges Randwick City Council for their continued support of Vacation Care ensuring we provide our families in the community with necessary support and our children are provided with fun and enjoyable activities each school holidays.

From the kids:

My favourite day was ice skating at Ice Zoo because I can ice skate and I am pretty good at it. Kai (9)

My favourite day was New Years Pyjama Party Day because I got to have fun with my friends. Jai (10)

My favourite day was Attractively because I got to play on some really cool games. Isaac (9)

My favourite day was the excursions to Des Renford pool because I love going on the inflatable course. Jaiah (8)

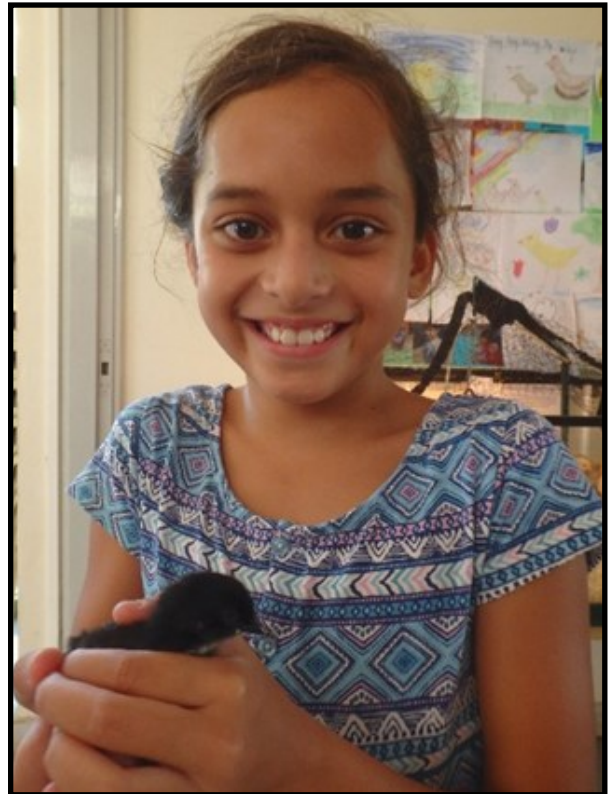

My favourite day was Orange Day because I won the best dressed competition because I was wearing the most orange. Harley (11)

My favourite day was "B Day" because I really liked baking the peanut butter cookies.

Lily (6)

My favourite day was the excursion to Cockatoo Island because the convict site was really interesting Georgia (6)

We all really loved having 24 chicks with us for two weeks watching them hatch. Thanks to Henny Penny Hatching for sharing this wonderful experience with us.

FLASHBACK

Christmas 2016

We held our annual Christmas parties in December 2016. It was a pretty successful day overall with both the community party and Playgroup party running smoothly.

We would like to take this opportunity to really thank everyone who helped make the day happen and also all of those who turned up to celebrate together.

Many laughs were had in good company and delicious food.

FAMILY FUN DAY 2016

Family Fun day is a fantastic free community event, run every year at Duffys Corner during December.

Last year it was an absolute hit, with great activities for the kids including t-shirt painting, cardboard castle building, live music from local artists and Kooloora's free recycled clothing stall.

It was great to see the community band together for fun and connection whilst also being able to talk with staff from services around the area.
